2026

Through our contemporary mixology expertise, we invite you on a sensory journey where innovation meets Asian elegance. Fat-wash infusions, clarified milk punch, maceration, and cold & hot infusion techniques are carefully crafted alongside vibrant yuzu, refined sake, hibiscus, and wild berry notes.

Each cocktail is a bold expression of modern craftsmanship — an unexpected balance between texture, aroma, and depth. Traditional inspirations are reimagined through advanced contemporary techniques, creating layered flavour experiences designed to awaken every sense.
